

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

The Class AA district alignments were received here Monday and it was somewhat of a shock to find that not only was Colorado City added to this district, but Coahoma as well. It had been expected that Colorado City would probably replace Haskell who moved back to Class A. But it was a surprise to find Coahoma joining this district.

The addition of an extra team into the district will mean that next year the open date will be during district play, with one team off each Friday night.

While the membership of this district that Hamlin has always belonged to has changed from year to year it has always been one of the strongest AA districts in the state and it certainly should be that for the next couple of years.

We would like to remind you to make your plans now to attend the city-wide Carnival to be held Saturday evening at the Jaycee Community Building. The Carnival is being held to raise funds to support the proposed Child Day Care Center.

Most of the clubs and organizations of Hamlin are taking part in this city-wide project and it should make for an evening well spent. From what we understand, there will be enough food booths that you can make your plans to eat at the carnival.

A great many people have worked for some time now in an effort to secure a Day Care Center here and it is hoped that this carnival will raise enough money to get the project underway.

So come down to the Jaycee Building Saturday evening, have a good time and help a worthy cause.

The following appeared in The Bovina Blade under publisher Bill Ellis' column Bulltown Bulletins:

The situation into which the United States has worked itself with regard to energy shortages is amusing to other nations. A dispatch from a London correspondent notes that, "The British have no sympathy for the energy dilemma in America; rather they seem somewhat amused that the United States is facing a crisis."

Continued on page 4

COMPLETES PROJECT—Abilene Paving Contractors completed work this past week on the city's paving project started early in the summer. The Abilene based crew is shown laying the hot mix asphalt concrete at the intersection of S. W. Ave. C and S. W. Second. The project paved 13½ blocks at a cost of \$79,079.90, which included curb and gutter were needed.

Pipers to Host Haskell Indians Friday At 7:30

The Pied Pipers will host the Haskell Indians here Friday evening for the second district game for both teams. Both teams will be going into the contest 1-0 records in district play.

Last Friday while the Pipers were soundly defeating the Winters Blizzards, 50-0, the Indians were running over Anson, 29-12. In the other district game played last week the Ballinger Bearcats edged out the Stamford Bulldogs, 27-20.

In other district games this week Ballinger will host Winters and Anson will host Stamford.

A double header will be played here tonight (Thursday) with the local Freshmen hosting Clyde at 5 p.m. and the Hamlin Junior Varsity hosting the Anson JV's at 7.

The Haskell Indians will bring a 4-2 record into Friday's game

while the Pipers are 6-0. But past records mean very little when these two teams meet as the Indians hold an 8-3 edge over the Pipers with one tie in games played since 1966.

Probable starters for the Indians will be (11) Tim Pringle, 160-pounds, at quarterback; (40) Charles Alexander, 160-pounds, at fullback; (33) Randy Ivy, 165-pounds, at tailback; and (80) Robin Colbert, 170-pounds, at halfback. Pringle is rated as a good quarterback who runs and throws well.

Ivy, according to scouting reports, is an outstanding back and while teams have been concentrating on stopping him they have turned Alexander loose at fullback. Alexander is rated as the best running back.

31 Enroll In Adult Classes Offered Here

Thirty-one persons are enrolled in the recently organized adult education class being held two nights each week in the Hamlin Elementary School Building.

The classes meet each Tuesday and Thursday and are coordinated through the Sweetwater Independent School District.

Due to the enormous success of the Adult Basic Education Program in Nolan county, The Texas Education Agency decided to make the Sweetwater IDS coordinator in a five-county cooperative.

Teachers for the local classes are Joe Castro, Ivan Merritt and Mrs. L. C. Brown, supervisor. Norma Garcia and Lavene Hunter are aides.

The purpose of adult education is to help prepare students for their GED certificates, which is equivalent to a high school diploma. It also helps parents learn "new concepts" in learning that will enable them to help their children with school work.

In the line will be (32) Ricky Bird, 140-pounds, and (44) George Brown, 160-pounds, alternating at split end; and (82) Johnny Hawkins, 160-pounds, at tight end. Playing tackle for the Indians will be (50) Randy Phemister, 175-pounds, and (72) Ricky Decker, 190-pounds. At guard will be (66) Raymond Rodela, 155-pounds, and (54) Tommy Watson, 180-pounds, and at center will be (67) James McCoy, 190-pounds.

Jaycees Set Spaghetti Supper Here

The Hamlin Jaycees will host a Spaghetti Supper here Friday evening preceding the Hamlin-Haskell football game. The supper will be served in the high school cafeteria from 5 to 7 p.m. Children under 12 will be served for \$1.00 and adults for \$1.50.

Eddie Offield is chairman.

City, School Tax Notices Mailed Here

Hamlin City and School tax notices were mailed the first part of this week, according to John Steele, tax assessor-collector.

The notices are normally mailed before the first of October each year but were late in being processed this year because of the merger of the two taxing offices and the conversion to a computerized tax system, Steele said.

The Hamlin Independent School District contracted with the City of Hamlin to handle the district's tax assessing and collecting chores with the retirement of Haskell Carter earlier this year. At the same time, the two taxing agencies voted to put their tax rolls on a computer system.

FOR DAY CARE CENTER—

City-Wide Carnival Set Here Saturday

The entire population of Hamlin will have a chance to meet together Saturday evening to eat, play games, and have fun while also helping to raise money for a proposed Child Day Care Center.

The city-wide carnival will begin at 6 p.m. at the Jaycee Community Building. All civic, church and school organizations are invited to participate in the project by operating a booth.

The public is assured a fine evening of entertainment and fellowship. The city-wide effort is being sponsored by the Hamlin Board of Community Development.

Several organizations have planned food booths so residents may come to the carnival and eat their evening meal from an attractive array of food selections.

The Jaycees will have a food booth, the Eastern Star will serve chili and beans, the ladies of the Catholic Church will serve Mexican food, the Girl Scouts will have a bazaar booth and Xi Gamma Pi Sorority will have a cake walk.

The Hamlin Garden Club Bazaar booth will also include potted plants for sale.

The coaches will find their seat on the Dunking stand most uncertain when tickets are sold for balls to be thrown at the trigger to drop them in the water tank.

Dunking the coaches will be sponsored by the Pied Piper Booster Club.

Bingo will be operated by the BCD. Prizes are being donated by merchants.

The spook house will be hosted or 'ghosted' by the Homemakers Sunday School Class of First Baptist Church.

Young Homemakers will feature Madame Zoro in their fortune telling booth. The crystal ball and reading of the Tarot cards will tell the future for patrons here.

Pony rides will be the entertainment provided by the Boy Scouts. The FFA will operate the penny toss and Beta Theta Chapter will offer excitement in the skill of fishing at their booth.

The Future Homemakers of America chapter will sponsor a sock throw.

State-wide Food Stamp Program Starts Nov. 1

The state-wide Food Stamp program will go into effect in Jones County Nov. 1, replacing the old Jones County Commodity Program.

The start of the food stamp program will mark the end of the Jones County surplus food commodities program. The County Commodity Distribution Store in Anson will be closed after Friday, Oct. 26, according to Frankie Spurgin, authorized representative of the program.

No commodities will be issued after this date, Spurgin said. All commodity recipients, who could not pick up their commodities on their assigned day in October, should do so on or before Friday, he said.

The food stamp program, which is funded by the U. S. Department of Agriculture, but administrated by the State

Department of Welfare, will be open to two types of persons.

Eligible will be those now getting public assistance, including the commodities program, and also low-income individuals and families who are not on public assistance.

While a part of the counties in Texas started the new Food Stamp program last month, most of the counties, including Jones, will start Nov. 1.

The stamps will be bought at the Post Office during normal operating hours.

Most grocers are expected to accept the stamps, although grocery stores are not forced to participate in the program.

The food stamps can be used to buy most foods and food products, but not tobacco, alcoholic beverages and imported items.

Magazine, Herald Drive Ends Monday

The annual magazine and Hamlin Herald drive will end Monday, according to Mrs. Warren Reynolds, chairman of the project, which is sponsored by the Hamlin Parent-Teachers Association.

Elementary students are taking subscriptions for the Hamlin Herald and junior high students are taking subscriptions for magazines and Heralds.

Proceeds from the drive help to finance the P-TA projects that are carried out during the year. Among the projects at this time are curtains for the public school auditorium in the junior high school building, the milk fund and the equipping of a resource room in the elementary building.

The P-TA also contributes to other school-related projects.

Pentecostal Church Has New Pastor

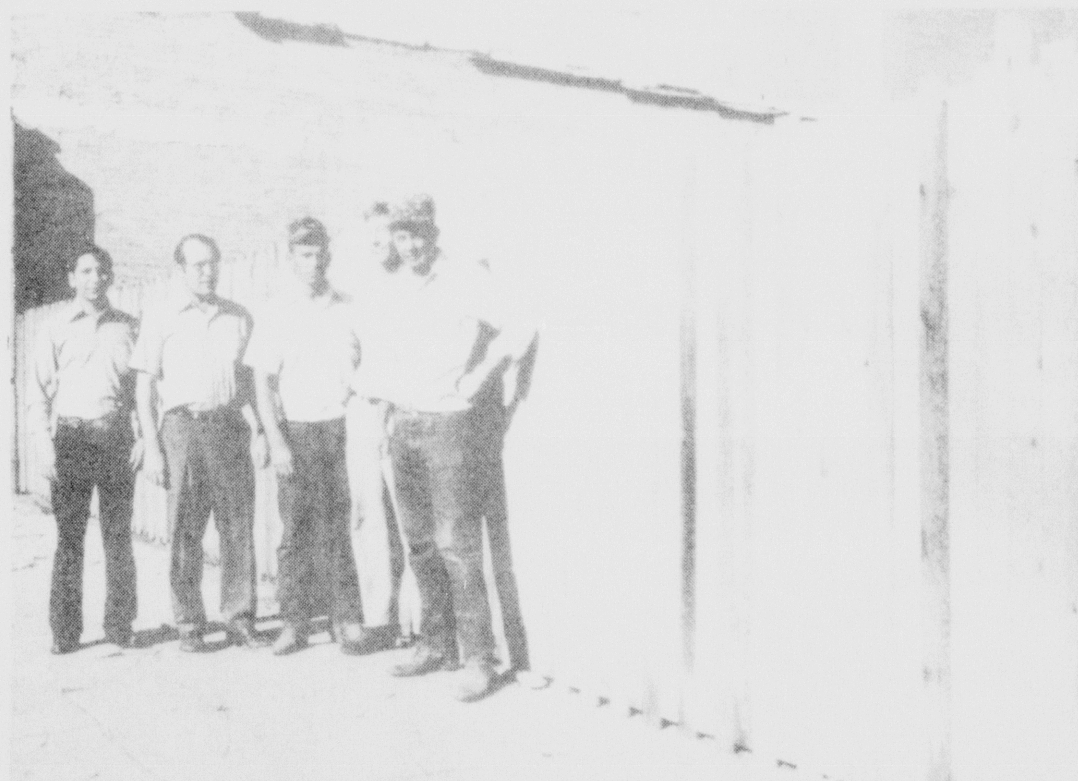

The Rev. Jimmy Skiles is the new pastor of the United Pentecostal Church, the "little rock church" at 219 N. E. Ave. B.

He and his wife and children, Scotty, 7, and Kristi, 3½, moved here several weeks ago from Jai, N. M., where he was pastor the past year.

Rev. Skiles succeeds the Rev. E. D. Raley who is in the U. S. Air Force. He was stationed at Dyess and was transferred to Holland with his family where they will be for four years.

Services are held at the local church each Sunday at 10 a.m., Sunday School; 11 a.m., worship; and 7:30 p.m. evangelistic services. Wednesday night Bible study is 7:30 p.m. and Friday night youth service is at 7:30.

All Hamlin residents are invited to the services, the pastor said.

JAYCEES LATEST PROJECT—Jaycees, from left, Joe Castro, Milburn Wink, Eddie Offield, W. A. Elred and Harvey Lawlis, are pictured in front of the fence which was constructed on the east side of South Central in the 200 block to conceal a vacant lot from view. Marshall Waldon, not pictured, was chairman of the project.

HONORED ON BIRTHDAY—Mrs. M. L. Haught was honored with a dinner to celebrate her 80th birthday Sunday in the home of a daughter, Mrs. Delmer Hill. All of her children, 11 grandchildren and six great-grandchildren were present. Thirty-eight relatives and friends attended from Hamlin, Stamford, Idalou and Midkiff.

Mrs. Montgomery Honored At Sweetwater Open House

Mrs. J. M. Montgomery of Sylvester who presented the Pioneer County-City Museum in Sweetwater with a rare and valuable gift, a 22 from collection of Indian arrowheads representing 50 years of hunting and digging by her late husband, was honored with her family at an open house at the museum Sunday afternoon.

Persons from the Big Country area were invited to the open house.

The collection contains many rare and beautiful specimens including the hard-to-find Folsom point.

Mrs. Montgomery pointed out that she didn't do much toward finding the arrowheads, but she arranged all the 22-frame exhibit except one, and that was done by daughter Mary, now Mrs. E. L. Porter of Roscoe.

The Sylvester archaeological enthusiast said she was busy raising the couple's nine children during her husband's first years of exploring and was unable to go on excursions with him. However, she said as soon as the children left home she joined in the search and came to enjoy it as much as he did.

Although Montgomery was an ardent Indian artifact hunter during his childhood in Eastland County, he gave all his findings away. After moving to Sylvester in 1910 he began saving all he found during the time he worked on the Newman Ranch and other farms. In 1919 he bought his own farm south of Sylvester. It was here he found the Folsom point.

"Pieces were found in a bed of sand," Mrs. Montgomery related, "and not until I had put it together and read about it did we realize we had something very rare and old..."

"Artifacts were numerous and easy to find when my husband first came to the area," she said. "Five-hundred or more arrowheads and many tools used by the Indians were found in campsites along the Clear Fork of the Brazos River, but most of the collection were found on our own farm."

Montgomery operated a blacksmith and welding shop in Sylvester after 1930, moving into town after selling the farm

in 1934 and spent "after-shop hours" searching for artifacts.

"My husband wanted the collection to be enjoyed by others, and the children and I decided that the Sweetwater museum is the place for it since most of the contents were found near there," Mrs. Montgomery said.

Dr. A. N. Densmore, president of Nolan County Archaeological Society, and J. Paul Turner of Sweetwater appraised the collection and presented recommendation for acceptance to the museum board.

Turner and Nelson Dressler took charge of transporting the valuable historical gift into the museum where it will be permanently displayed.

New Parents

Mr. and Mrs. Robert B. Moore are parents of a girl, Courtney Jeanette 6 lbs. 14 oz., born Oct. 20 at 7:31 a.m.

Grandparents are Mr. and Mrs. John H. Steele and Mrs. Fred B. Moore Jr. Great-grandparents are Mr. and Mrs. Fred B. Moore Sr., Mr. and Mrs. Virgil Steele and Mr. and Mrs. H. W. Ewing of Abilene. Great-great-grandmother is Mrs. Andrew Fancher of Amarillo.

Beta Theta Holds Ritual For Pledges

The Ritual of Jewels of Beta Theta Chapter of Beta Sigma Phi was held at 7:30 p.m. Oct. 15 in the home of Mrs. Johnny Jeffrey. Mrs. Joe E. Ford, president, presided.

Pledges attending were Mmes. Joe Don Hymer, Fred Hubbard, John Poe and Pat Willoughby.

Others attending were Mmes. John Ferguson, Mack Sellers, O. H. Weaver Jr., Jim Bonds, James Crowley, Sam Mack Hodges, Roger Bell, Holman Jones, Randy Brown, Parker Kelley and Gerald Young, sponsor.

Mrs. Hodges will host the Nov. 7 meeting at 4 p.m.

Mrs. Butler Hosts Young Adult Class

Mrs. Larry Butler was hostess for the Monday evening meeting of the Young Adults Sunday School Class of First Baptist Church.

Plans were made for a salad supper to be held Saturday in Fellowship Hall at 7 p.m. and a Thanksgiving dinner at the home of the Howard Joneses Nov. 15.

Visitation was set for the first Thursday of each month at 9:30 a.m.

Attending were Mmes. Pat Willoughby, Dan Newberry, Rick Abbott, Paul Frazier, Bobby Stubblefield, O. H. Weaver Jr., Danny Warner, David Watson, Gary Finley, Andy Brown and Howard Jones, director.

Service Class Luncheon Held Friday

Service Class of First Baptist Church met for a noon luncheon in Fellowship hall Friday. Mrs. Joe Simpson, a guest, gave the devotional.

Hostesses were Mmes. S. C. Ballew and Fred Allen.

Other members present were Mmes. Dave Herbst, Tom Routh, Troy Austin, J. P. Morrison, J. P. Cornelius, D. A. Brown, Robert Johnson, Wallace Walton, Earl Johnson, Georgie Hines, Edgar Duncan and Miss Alice Wills.

Guests were Mrs. Ann Clemons of Jennings, La., Edgar Duncan, and Mr. and Mrs. Lynn Mink.

COFFEE IS SERVED—Mrs. W. L. Brown of Merkel, right, served coffee to District VIII Garden Club members as they arrived for the annual

convention here Tuesday. Out-of-town members are shown in the parlor of First United Methodist Church. About 125 women attended the convention. Host clubs were Hamlin, Merkel and Roby.

Brown Reunion Held Sunday

Mr. and Mrs. C. B. Brown met with his relatives at a reunion Sunday at the Jaycee Community Building. Present for the occasion were his three sisters-in-law, 28 nephews and nieces, nine great nephews and nieces and four great-great nephews and nieces. They were from Midland, Lubbock, San Angelo, Austin, Del Rio, Abilene, Merkel, Seymour, Haskell and Rotan.

Night Class Planned Here

A night class in gift making will be offered by the Homemaking Department of Hamlin High School beginning Monday. The class will meet from 7 to 9 p.m. each Monday through Dec. 17, with the exception of Nov. 5 when the class will be held on Tuesday, Nov. 6.

The class is for adults and out of school youth. There is no tuition charge. Interested persons are urged to attend the first session.

Neuse, Wallace Vows Read Recently In San Antonio

Cynthia Ann Neuse and David Floyd Wallace were married Saturday, Sept. 18 in Baptist Temple in San Antonio.

The bride is the daughter of Mr. and Mrs. Ralph B. Neuse of San Antonio. The bridegroom is the son of Mrs. Floyd Wallace of Hamlin and the late Mr. Wallace.

Matron of honor was Mrs. Reginald Russell, sister of the bride.

Bridesmaids were Gloria

Weiss, Mrs. Bob Terrell and Mrs. Gerald Adams.

Rachelle Russell, niece of the bride was flower girl.

Kevin Foster was ring bearer. Bob Clifton of Lubbock, formerly of Hamlin, was best man.

Groomsmen were Dwight Wallace of Plano, brother of the bridegroom, Clay Robinson and Scotty Griffin.

Ushers were Reginald Russell, Tommy Mixon, Steve Neuse and Bobby Mixon.

The reception was held in Fellowship Hall. The couple's wedding trip was to the Texas coast.

The couple resides at 318 Avant in San Antonio where he is employed by Nabisco.

The bridegroom's mother and sister, Mrs. John Corley and her daughter, Rachelle Corley, both of Abilene, attended the wedding.

Piper Patrol Serves Girl Scout Troop

Members of the Piper Patrol served refreshments at the Thursday meeting of Junior Girl Scouts, Troop No. 398, at the Jaycee Community Building. The Piper patrol is composed of Susan Watts, Sharon Ford, Connie Spalding and Dee Dee Deaton.

Twenty-seven girls were present. The troop discussed plans to participate in the City-Wide Carnival Saturday evening to aid the proposed Child Day Care Center.

Sharon Ulmer was a new member.

The girls expressed thanks to all who helped with the float that won second place in the Homecoming Parade.

At the Oct. 11 meeting, 30 girls were present.

Members of Daisy Patch patrol, Lorna Phariss, Michael Ann Green, Lisa Caffey, Judy Crouch, Debra Server, Lajonna McDonald and Tonya Brumley, served refreshments.

Miss Carter, C. R. Perkins Plan Wedding

A Dec. 15 wedding date has been announced by Barbara Dianne Carter, daughter of Mr. and Mrs. Roy Carter of Snyder, and Charles Randel Perkins, son of Mr. and Mrs. C. L. Perkins of Atlanta, Ga.

The bride-elect is a granddaughter of Mr. and Mrs. A. Branscum of Hamlin.

Both are seniors at Hardin-Simmons University. He is employed at Goodyear Store in Abilene.

The couple will be married in First Baptist Church in Snyder.

FROM THE FILES . . .

FIFTY YEARS AGO
(November 2, 1923)

Eight and six-tenth inches of rain falling in the Hamlin country since the 12th day of October, is some record. Should some of the old skeptics, who have been calling this country a desert, come trailing along now, he would think he had awakened in the swamps of Arkansas. Never before has this country been so perfectly soaked.

Last Monday night, though it was not Halloween, spooks and goblins were abroad at the High School. Weird skeletons, jack o'lanterns and real fortune teller added much to the enjoyment of the guests, when Mr. and Mrs. Neff entertained the Seniors. Fortune telling and games were enjoyed until a late hour, when delicious refreshments were served after which music and school songs were enjoyed.

A Junior Chamber of Commerce has been organized by the members of the Economics Class of Hamlin High School. Floyd Carlton was chosen as president; Mary Frances, vice president; Allyne Wilson, secretary; Dan J. Payne, treasurer; and Coy Magee, reporter. This organization will be conducted exactly as the real Chamber of Commerce, carrying on such improvement as are within its power, for the betterment of the school and the city. A luncheon will be held every two weeks, at which time the faculty and members of the organization will make and discuss plans to be carried out. Committees have been appointed by the president to find subjects for discussion.

TWENTY YEARS AGO
(October 30, 1953)

Ten thousand bass fingerlings were put in the Hamlin South Lake recently, according to J. C. Cauble, keeper of the city's three reservoirs. During the drought of the past three years practically all the fish had died in the South Lake. From a year to 18 months is required for the fingerlings to grow to one-pound eating size.

Domestic water for the city of Hamlin was coming from the South Lake again this week, declared Bill Rountree, city water superintendent, Wednesday. The city has been using water from the new Paint Creek Lake northeast of Stamford for about two weeks previous to Friday, but mechanical difficulties at the lake forced the switch to the Hamlin lake. Use from the Paint Creek Lake is expected to be resumed today.

Apparently there is nothing to rumors that acreage quotas will be set on maize for next year. Production and Marketing Administration officials, who would administer any controls, declare that there is nothing official on any acreage quotas on grain sorghums.

Rains over the weekend that soaked the cotton fields of the Hamlin territory called a halt for several days on the cotton picking operations, but pickers were going to the fields in varying numbers Wednesday as things began to dry up some. Cotton ginnings by the five gins of Hamlin reported at Wednesday noon they had ginned a total of 3,835 bales.

TEN YEARS AGO
(October 24, 1963)

The top game of the area will be unveiled in Piper Stadium Friday

night at 7:30 P.M., when the Pipers host the Winters Blizzards. The contest will match two of the top teams in District 6-AA in the second round of conference warfare. The Blizzards defeated Haskell last week while the Pipers were downing the Stamford Bulldogs. The Pipers will be carrying a 5-1 won-loss record into the game while Winters has a 3-2-1 record.

Winners in the Folger's Ribbon Guessing Contest held at Piggly Wiggly were announced Friday afternoon by Edgar Duncan, manager. Mrs. R. J. Waddle was first; Mrs. C. R. Dansby, second; Mrs. W. M. Barnett, third; Mrs. C. E. Pearce, fourth; and Mrs. Ernest Davis, sixth.

Approximately one-half the right of way for improving 277 between Stamford and Anson has been obtained, County Judge Leon Thurman said this week. The state plans to make the road a four-lane super highway, similar to that running from Anson to Abilene.

Adult and youth representatives from churches that will be participating in the Christian Rural Overseas Program Oct. 31, met Monday to make plans for the fund raising project. This year's CROP Halloween Project will be a united endeavor of all the churches in the Hamlin Ministerial Alliance. Money collected during the drive is used to provide for overseas relief and rehabilitation through church overseas programs.

NEWS AND VIEWS . . .

And What Have You

—Continued from page one

What they see is a United States of America, the most advanced technological and industrial nation in the world, creating its own crisis superficially by failing to develop its abundant resources...

The average Britisher finds it hard to believe that the United States can have a real power supply crisis on the one hand and the Alaskan oil fields on the other—Britishers wonder how can the United States be serious about an energy crisis when it has enough coal and nuclear technology to easily carry the nation through the 21st Century?"

Britain has no energy crisis, according to the dispatch. The British have accepted the atom as a fact of life. England, says the dispatch, "—is considered to be the most advanced nuclear nation in the world with 29 atomic reactors in operation...." Another point noted is that the British simply don't understand the consumer protection mania and the manner in which U.S. public opinion is swayed by, "—powerful environmental lobbies."

The phenomenon is hard for a lot of Americans to understand too—Americans who have lived in a country that has been envied by the rest of the world because of the resourcefulness, initiative and willingness of its citizens to push back frontiers of knowledge. How could a nation, which a few short years ago landed a man on the moon, suddenly become immobilized by a paralysis of caution that is turning it into an island of scarcity?

Agent Gives
Tips On Wheat
Worm Control

Armyworms and cutworms are infesting Jones County fall grain fields and are causing considerable damage to some of the younger grain, says County Agent Kirby Clayton.

Older grain with good growth will be able to sustain considerable damage without treatment. However, a heavy infestation may destroy several acres of young grain in a 2-3 day period and farmers may wish to control these infestations before damage becomes too heavy.

Methyl parathion, parathion, toxaphene and dylox are all recommended insecticides for control of these pests. Clayton cautions that all cattle should be

removed from the field for a period of 15 days and if toxaphene is used, dairy cattle or cattle being finished for slaughter should not be allowed to graze the treated fields.

Cotton fields sprayed with arsenic acid or Paraquat should not be grazed by livestock according to County Agent Kirby Clayton. Also gin trash should not be fed to livestock cautions the agent. Although many farmers have practiced this in years past without any apparent trouble, others have experienced sick cattle from it. Drift from arsenic acid or paraquat onto adjoining fields may also result in sick cattle if the poison is sprayed during a high wind, says the agent.

Clayton urges applicators and farmers alike to exercise precautions as listed on the label in the use of all pesticides.

Dinner Set
Saturday

The Sunday School of Oak Grove Baptist Church will serve a turkey dinner Saturday beginning at 6 p.m. with the public invited. Plates are \$1.75 each.

Turkey and dressing, gravy, green beans, buttered carrots, fruit salad, cranberry sauce, Louberta's hot rolls, iced tea and pie will be served.

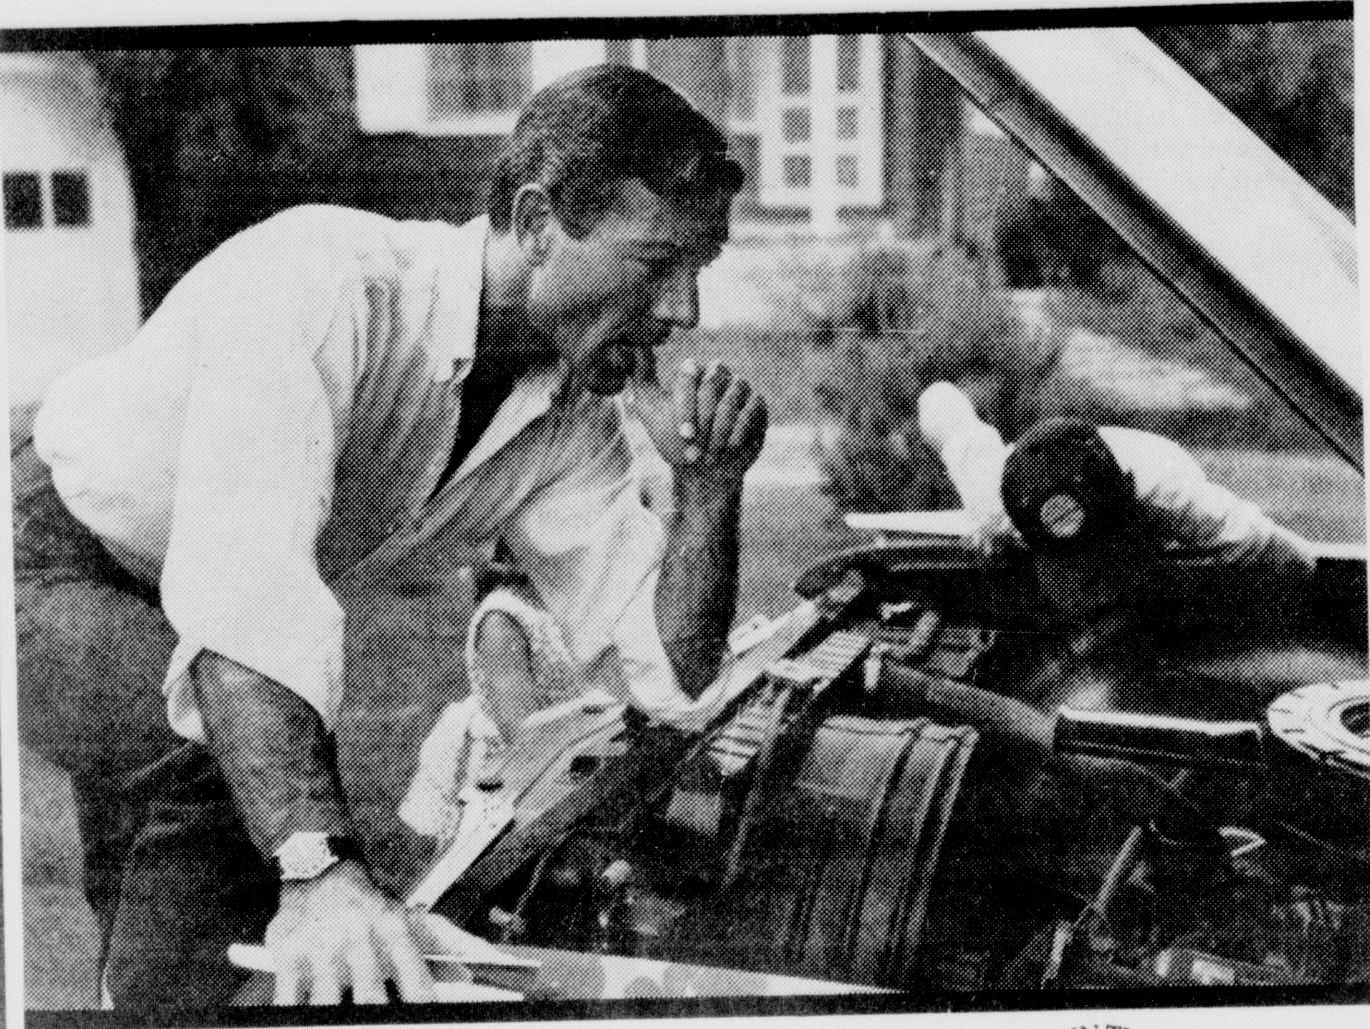

Singing Here

A singing Saturday evening at First Assembly of God Church as been announced by the pastor, the Rev. Carl Amburn.

The gospel singing will begin at 7:30 p.m. The public is invited.

IN NEED OF Specialized HELP

The car's acting up... sometimes he can repair minor problems himself... but this time it looks like it may require the work of a specialist. To correct this problem he needs a mechanic, someone who has the knowledge and equipment for this particular work.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Pipers Maul Winters, 50-0, To Open District Contest

It took the Pied Pipers nearly a quarter to get their high scoring offense in gear Friday, but when it got cranked up it would not shut off as it racked up a 50-0 victory over the Winters Blizzards in the district opener for both teams.

But while it was taking the offense a while to break loose, the defense went into gear with the opening whistle and never let up. The Blizzards went in at half time with a total offense of just 20 yards and finished the game with only 56 yards.

The Winters defense was built around stopping Hamlin's Junior sensation, Johnny Jones, and was successful for his first three carries. They limited him to a net of one yard on three carries before he broke loose for a 62-yard touchdown run. Four carries later he broke loose again for 45 yards and another touchdown.

Jones then retired to sideline for the evening with 132 yards in nine carries and two touchdowns. This short performance put him over the 1,000 yard mark for the season as he now has 1,038 yards in 96 carries for an average of 10.8 yards per trip.

But while the Blizzards were doing their best to contain Jones, they found Hamlin's big fullback Albert McAfee in their secondary most of the night as he gained 125 yards in 15 carries and scored two touchdowns. McAfee also spent a great deal of the night in the Winters backfield from his defensive line backer's position. He was joined back there by big defensive tackle Ray Scifres.

Winters opened the contest by trying an on-side kick with Scifres covering the ball on the 50-yard line. McAfee carried three times for a first down at the Winters 40. Jones then carried for eight but was set back seven yards on his next two carries and Hamlin punted.

Winters failed to make a first down and punted back to the Pipers with Hamlin taking over on their own 45. McAfee carried for eight yards in two carries and on third down Quarterback Willie Hooper overthrew Tight End David Willis on the bomb and Hamlin punted again.

Winters took over on the 20 and lost three yards before Hamlin drew two 15-yard penalties to give the Blizzards a first down on their own 47. They picked up another first down on the Hamlin 41, but then drew a 15-yard penalty to put them back on the Winters 42. Three plays later they were back on their 37 and punted.

The Pipers fielded the ball at the Hamlin 38 and on the first play sent Jones on a sweep around left end with the speedster going all the way for the score. Steve McKissack kicked the point after.

Following the kickoff, the Blizzards failed to make a first and punted to the Hamlin 22 with Jones returning it to the Winters 47. Two plays later Hamlin was penalized 15 yards

back to the Hamlin 42. McAfee broke up the middle and outraced the Winters squad 68 yards to the goal line for the second touchdown of the evening. McKissack again kicked the point after.

Winters moved into Hamlin territory again following the kickoff but then were pushed back into their own end of the field before punting. Hamlin moved down to the Winters 46 before losing the ball on a fumble. But on the first Winters play McKissack got the ball back for the Pipers by recovering their fumble.

Again on first down Jones broke for a touchdown. This time he broke over right guard for 45 yards and the score. McKissack kicked the point after and the Pipers led, 21-0 with 6:44 left in the first half.

Three plays following the kickoff, McKissack recovered another fumble with the Pipers taking over on the Blizzard 38. It took the Pipers eight plays to score with McAfee going over left guard for the final yard. McKissack's kick was good to make the score 28-0.

The Pipers recovered another fumble just before the half and

were in Winters territory as the half ended.

Linebacker Larry Mayes put the Pipers on the scoreboard again early in the second period as he intercepted a Blizzard pass and returned it 40 yards for the score. McKissack again added the point after.

Winters lost six yards in three plays following the kickoff and punted to the Hamlin 48. McAfee carried for two first downs on runs of 14 and 10 yards. Hamlin picked up a first down at the Winters 24 on a pass interference call and then Hooper connected with Oscar Marshall in the end zone for another score. The Pipers lined up to kick the point after but with the snap a little high Hooper chose to pass to Jones for the two points.

Coach David Bonds put his second units in from this point on and early in the fourth quarter the Pipers were threatening again. This time the Pipers tried a field goal with McKissack kicking from the 27. It was just inches short of the uprights.

Late in the fourth period, Steve Evans intercepted a Blizzard pass and returned it to the Winters 36. Halfback Ronnie Maberry and Fullback Evans combined their running talents to move to the Winters six in six plays and then Evans scored over his right guard with six seconds left in the game. McKissack kicked the point after to make the score 50-0.

On Winters' first play following the kickoff, Hooper intercepted a pass and returned it about 40 yards to the Blizzard five as time ran out.

Hamlin High Happenings Piper Patter

The Pipers are on their way to the top. The game Friday was

Letter to Editor

Dear Editor:
Hamlin's homecoming this year was one of the best yet. Hamlin is fortunate to have a coach like David Bonds. You can see the closeness of a coach and a team.
It thrilled our hearts to see Coach Bonds and his team kneel in prayer after the game. This is not seen in the biggest percentage of our schools.
It's good to see and know that Hamlin's school students show that the color of one's skin does not stand in the way. I'm proud to be an ex from Hamlin, a town where everyone is loved by his neighbor.

Mrs. Rob Howell
6507 Ave. U
Lubbock, Texas

exciting but the coming games promise a little more excitement. Back the Big Green all the way to the top.

HHS
The band will soon be going to contests. Practice is underway to get a well deserved Division I. The "Marching Green" is out to prove that we not only have a number one football team but also a number one band.

HHS
The annual staff will soon open the sales for the "74 Piper." Everyone is urged to buy their "74 Piper fast."

HHS
Be sure to come to the game Friday night at Piper Stadium at 7:30 when the Pipers meet the Haskell Indians. See the Pipers climb the ladder to the top.

HELP WORTHWHILE PROJECT AND HAVE FUN TOO—Come bring your family to the City-Wide Carnival Saturday at the Jaycee Building.

TIPS FOR OUTDOORSMEN

by Vern Sanford

Practically every outdoorsman owns an automobile—and some maintain several. A rapidly increasing number possess RV's, more commonly called recreation vehicles. These include jeeps, station wagons, suburbans, carryalls, trucks, truck campers, trailers, motor homes, and a variety of in-betweens.

Unfortunately nearly every motor vehicle owner has had an accident of one kind or another . . . a minor or major collision. Some have witnessed crashes and all who travel have seen the after-effects of a wreck.

But, have you ever seen a single driver of any of these involved vehicles, or even a witness to one of the accidents, who had in his possession at the time, or in his modest transport, a simple little item that would prevent a lot of other unhappy incidents that almost invariably follow such crashes.

We're not talking about emergency life-saving kits, or Red Cross First-Aid Boxes, or warning flashlights, or reflectors, or blinkers to place along the highway to warn approaching cars to slow down and be cautious. All these items are necessities that you should carry in your car at all times.

What we're talking about is merely one simple little cleanup item. Something with which to sweep away all that broken glass and those sharp pieces of bent and splintered metal that are invariably scattered over the highway—those cutting, piercing pieces that slice or flatten tire after tire on vehicles that must roll over the scene of the wreck.

We refer, of course, to a simple broom—that's all.

Any kind will do, from whiskbroom size to one like the daughter got for Christmas with her housekeeping set. Or, better yet (room permitting) a man-sized, long-handled sweeper. Or even better, one made of metal.

Why not toss one into your car today? Fellow motorists will appreciate your thoughtfulness. You'll feel good about it—and you'll be one in a million in this self-centered "to hell with everyone else" world.

Political candidates often use the old cliché "A new broom sweeps clean" but any old broom will sweep the highway clear of debris.

Ever swerve to avoid broken glass on the highway? Almost had a wreck too, didn't you?

Guess the idea isn't quite as silly as it sounded.

NEWS FROM . . .

Sylvester

by Mrs. R. M. Babb

A beautiful morning the gin is really humming and every one has a smile even though they can't figure out this day a holiday???

Mrs. Ezell Whitten of Hamlin and Mrs. May Hurst of Sylvester visited and shopped in Sweetwater one day last week.

Mrs. Lambert's granddaughter, Susie and her husband of Midland drove out for a visit on Sunday afternoon.

Mrs. Artie Smith and Mrs. May Hurst drove to Abilene one morning last week and met Mrs. Smith's daughter Wanda and granddaughter Dianne at the airport. They will be spending some time here visiting.

Curtis Howard spent several days in Hamlin hospital but is some improved.

Singers from several towns enjoyed the singing on Sunday night at the Methodist Church in Sylvester. Towns represented were Hamlin, Noodle, Abilene, McCaulley, Merkel and Trent. A community supper was held last Wednesday night at the Baptist Church.

Raymond Perkins drove down from Lubbock last Friday and returned taking his Mother, Cara Perkins, with him for a visit.

Mr. and Mrs. Spurlon Harris and son visited in the E. P. Harris home last weekend.

Mr. and Mrs. W. B. Brown spent the weekend visiting the Bill Brown family in Harlingen.

(FROM LAST WEEK)

Mr. and Mrs. Don Walden of Biloxi, Miss., formerly of Hamlin, are parents of a boy, Jake, 8 lbs. 5 oz. born Sept. 17. Paternal grandparents are Mr. and Mrs. Raymond Walden of Junction. Maternal grandmother is Mrs. Elsie Moffett of Sylvester.

Mr. and Mrs. Freeman Morgan of Abilene drove out last week and visited in the Chub Hardwick home and on returning to Abilene, Neressa and Wenzel went along spending the week end. They reported having a wonderful time.

Visiting in the Hardwick home Thursday were Mr. and Mrs. R. M. Hardwick, Mr. and Mrs. Lee Hay, and Vadie Hardwick of Abilene.

Mr. and Mrs. Buford Brown spent the weekend as guests in the Max Deel home in Levelland.

Elsie Moffett and Bill drove to Lubbock Thursday where four of her boys and their families, and two girls and their families got together for a family reunion.

Visiting in the R. M. Babb

home Wednesday and Thursday were the J. M. Millers and the Haskell Stones, all of Haskell.

Getting together in the home of Mrs. Glenna Turner were her sisters, the Mike Marzano of Redwood, Ca., the Loyd Campbells and Suzie of Grapevine, the W. A. Crosses and Connie of Midland, the Herbert McHaneys of Roby, and Steve, who is teaching in Texas Tech in Lubbock, and Janie Bartley and boys with Patricia Gaasch of Odessa.

Thurman and Jean Douglass drove to Corpus Christi one day last week to visit her sister. As you know, if you have been reading your paper, the water is high down there, and they had to be evacuated by boat so they cut their visit short and came home. Thurman says that just wasn't any fun at all.

Just learned from Mr. McLendon that his wife is in Hamlin hospital but is improving.

The Wesley Maberry family were here over the weekend visiting with the Richard Kelly and J. P. Maberry families.

Martha Williams of Odessa is spending a few days in the Roy Kiser Home.

Mrs. Homer Pursley and Mrs. Charles Meeks were in Abilene on business Monday.

Mrs. F. E. Meeks spent several days in Simmons Memorial hospital in Sweetwater.

Mrs. J. M. Montgomery has given all of Mr. Montgomery's Indian Art Craft to the Museum in Sweetwater in his memory. He had quite a good collection.

Ruth Brown was in Abilene and Hamlin on business Monday.

Mrs. Eddie Dickerson along with her sisters surprised their sister in Merkel with a birthday party Saturday.

Mr. and Mrs. Trinidad Garcia, Tony and Mary Helen drove to McKinney on Saturday to visit with their daughter, Gloria, who had surgery the early part of the week, they report she is doing real well.

TAKE YOUR FAMILY OUT TO EAT at the City-Wide Carnival Saturday evening at the Hamlin Jaycee Community Building. Starts at 6.

SAVE IN HAMLIN
SATURDAYS 9 A.M. - 2 P.M.

THE HAMLIN HERALD, HAMLIN, TEXAS, 79520

'Time to Run' To Show Next Week In Rotan

"Time to Run," a Billy Graham new feature movie, will be shown for the second time in the area at Rotan Tuesday and Wednesday, Oct. 30 and 31, at Lance Theatre.

The feature will be shown at 6 and 8 p.m.

Filmed on location in the Southern California area, "Time to Run" stars Ed Nelson as Warren Cole, a hard driving success-oriented industrial and scientific engineer who, because of over-involvement in his work, has failed to communicate with his wife Fran, played by Joan Winmill, or their son Jeff, played by screen newcomer Randall Carver.

Junior High Drops Games With Stamford

The Hamlin Junior High football teams dropped two games to Stamford here Tuesday evening. The seventh grade lost, 6-0, and the eighth grade was defeated, 16-8.

The two teams will travel to Rotan next Tuesday with the first game starting at 5:30.

Mr. and Mrs. Ramon O. Aguirres are parents of a boy, Michael Eugene, 5 lbs. 8 1/2 oz., born Oct. 18 at 6:05 p.m.

YOU'LL COME—meet your friends at the city-wide carnival at the Jaycee Building.

Operation Identification Underway

"Operation Identification" is being launched in Jones County through the Hamlin, Anson and Stamford Police Departments. The property protection is being jointly sponsored by the Jones County Sheriff's Department and the Jones County Farm Bureau.

Each of the three police departments have available an electric labeling machine to be used to mark all easily stolen items.

Sheriff Woodrow Simmons stated that one of the main means of convicting a thief is to be able to identify merchandise which has been stolen.

When the electric labeling machines are checked out from the police department a form is provided to list all of the marked items. This form is to be kept on file by the police department.

Sheriff Simmons said, "These pencils are provided for your service free of charge."

GUITAR LESSONS

Only \$10.00 per mo.
Guitar Classes now forming, will be starting in approx. 2 weeks.

MIGNON WILLIAMS
... FFA Sweetheart

Miss Williams Named FFA Sweetheart

Migon Williams, daughter of Mr. and Mrs. Jackie Williams, has been elected Chapter Sweetheart by the Hamlin FFA Chapter. She is a senior in Hamlin High School.

Mignon is active in many school activities. She serves as second vice president of the Hamlin Chapter of Future Homemakers of America and reporter for the National Honor Society. She participates in band and girls' basketball. She is also reporter for the Senior Class and was a Homecoming Queen nominee.

Mignon will represent the Hamlin FFA Chapter at various activities during the year. She will serve as hostess for the Double Mountain FFA District Leadership Contests which will be held at Hamlin High School Nov. 7. She will assist at the Hamlin Community Livestock Show and the Jones County Livestock Show. She will represent the Hamlin FFA Chapter in the Double Mountain FFA District Sweetheart

Road Supervision In New Precincts to Begin In '75

It will be after Jan. 1, 1975, before Jones County Commissioners will start looking after roads in the newly-defined precincts. This was the decision reached recently by that group as they reviewed voting box lines before definitely settling upon the boundaries.

Commissioners already had given tentative approval to a realignment which saw the county divided so that each commissioner represents an almost equal number of voters and each will have an almost equal number of miles of roads to oversee.

Under the final plan, Hamlin, Stamford and Anson will each participate in the election of two commissioners and Lueders will move from Precinct 2 to Precinct 3.

The bulk of the Hamlin residents will remain in Precinct 1, but the Southeastern part of the city will be in Precinct 4. Precinct 4 will contain the Southwestern quarter of the county but will extend a finger up to include this part of Hamlin.

Precinct 1 and 4 will be divided by U.S. 180 west out of Anson to F.M. 126. The line will turn north there, running through Neinda and continue to U.S. 83. Coming into Hamlin on U.S. 83, the line will turn back east on S.E. 11th to S.E. Ave. C and then follow the Hamlin city limits to the Stamford Highway. It will cross the Stamford Highway

Contest in Aspermont in April, the Jones County Fair Cotton Queen Contest in Anson in August, and the West Texas Fair Sweetheart Contest in Abilene in September.

way on N.E. Ave. Q and go north to N.E. 6th Street. It will turn back west and run down 6th to N.E. Ave. E, where it will run south to the railroad right of way. It will follow the railroad right of way south to S.E. 4th, where it will go west, across South Central to S.W. Ave. F. On S.W. Ave. F it will go back to S.W. 5th and drop a block to Ave. E, where it will go south along the side of the city park to just north of F.M. 2142

Services Held Saturday for Paul Bryan

Paul Bryan, a retired lumberyard operator, died at 3:15 p.m. Thursday at Holiday Lodge where he was a resident. Mr. Bryan had lived in Hamlin since 1925. He was a Baptist and member of Masonic Lodge.

Mr. Bryan was born Aug. 10, 1888, in Timpson, the son of the late Mr. and Mrs. Alan H. Bryan. He married Ella Brannon in Santo in 1910. She died in 1956.

He was preceded in death by his daughter, Pauline Bryan Page in 1943.

Survivors include one brother, Robert Bryan of Denuba, Calif.; and one sister, Maude McConnell of Fort Worth.

Funeral services were held at 10:30 a.m. Saturday at First Baptist Church with the Rev. Howard Jones, pastor, and the Rev. Marshall Stewart, pastor of the Church of the Nazarene officiating.

Pallbearers were R. C. Ritchey, Theo Johnson, Edgar Duncan, Leldon Clifton, J. C. Turner and J. E. McCoy.

Services Held Tuesday for Elton Tabb, 73

Funeral services for Elton Bartley Tabb, 73, were held at 4 p.m. Tuesday in McCoy of Memories.

The Rev. Carl Pool, pastor of Foursquare Gospel Church, and the Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated. Burial was in Hamlin East Cemetery.

Mr. Tabb, a retired farmer, moved to Hamlin in 1920 from Madison County. He died at 3:15 p.m. Sunday, at Holiday Lodge where he had been a resident. He was born Aug. 13, 1900, in Madison County, son of the late Mr. and Mrs. Henry C. Tabb.

Survivors include three brothers, Claude of Anson, Willie of Boyd Chapel and Monroe of Hamlin; and one sister, Mrs. Oscar Johnson of Cleburne. He was preceded in death by three brothers and one sister.

Pallbearers were Sam Jones, Tom Nall, Johnny Wood, Travis Hubbard, Gene Butler and A. A. Fleming.

(Royston) where it extends to the county line.

The division puts the southern and eastern residential areas of Hamlin in Precinct 4, with the balance of the city in precinct 1.

The voting precincts are still being worked out, as are the voting places. The new lines will not become effective until next year and the upcoming General Election to be held Nov. 6 will be in the old precincts.

In their meeting the Commissioners declared that those who will seek offices, either justice of the peace or commissioner, next year will do so in the new precincts. Elections will be held in Precinct 2 and 4 next year. Presently Tom Boyd represents Precinct 2 while J. E. Touchstone represents Precinct 4.

The court also held that justice of the peace precincts will coincide with commissioner precincts.

Services Held Sunday for B. F. Morrison

Benjamin F. Morrison, 77, died at 1:45 p.m. Friday at Stamford Memorial Hospital where he had been hospitalized two weeks.

Funeral services were held in McCoy Chapel of Memories at 1 p.m. Sunday. The Rev. Howard Jones, pastor of First Baptist Church, and the Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated. Burial was in Johnson's Cemetery in Moran.

Born July 1, 1896, in Williamson County, he was the son of the late Mr. and Mrs. Alfred T. Morrison. He married Edith Lacey at Georgetown Apr. 9, 1918. They moved to Moran in 1920 where he farmed and worked in a Sedwick oil field.

The couple moved to Hamlin in 1956 and he was employed by M. J. Mitchell Oil Co. In recent years he has been engaged in contracting lease production.

He was a member of First Baptist Church in Moran and Woodman of the World.

Survivors include his wife; one son, Benjamin F. Morrison Jr. of Grand Prairie; one daughter, Mrs. H. B. (Juanita Jane) Hawkins of Austin; two brothers, J. W. of Muenster and Tom of Breckenridge; one sister, Mrs. Myrtle Scott of Moran; three grandchildren, Ben Morrison III of Weatherford, Mrs. Barry Reno of Washington, D. C. and H. B. Hawkins of San Marcos; and three great-grandchildren.

Pallbearers were Gene Walton, Gene Adams, Loyd Burkhardt, Roy Jordan, Buster Hart and J. B. May.

Guests in the home of Mr. and Mrs. Homer Raney for Homecoming weekend were Mr. and Mrs. J. E. Humphreys of Lubbock.

DON'T MISS OUT ON THE FUN—Eat and play games with your friends at the City-Wide Carnival Saturday at 6.

BARNIE K. SMITH
... services held

Services Held Saturday for Barnie Smith

Barnie K. Smith, 68, a lifetime resident, died at 4:45 p.m. Thursday at his home after a short illness.

The Rev. Buster Grigg, pastor of Central Baptist Church, and the Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated at services at Central Baptist Church at 2 p.m. Saturday.

Mr. Smith a retired Celotex Corporation employee, was born Mar. 27, 1905, in Paint Rock. He married Jessie Marchman Sept. 3, 1928, in Roby.

He was a member of the Central Baptist Church.

Survivors include his wife; two sons, Durwood of Brady and Delbert of Abilene; one daughter, Mrs. Max (Charlene) Scott of Oak Ridge, Tenn.; four sisters, Mrs. J. L. Smith of Hamlin, Mrs. Beulah Mallonee of Wichita Falls, Mrs. Eddie Griffin of Borger and Mrs. Henry Marchman of Abilene; and seven grandchildren. Two sisters preceded him in death.

Pallbearers were J. L. Warner, Marvin Rhoton, S. P. Houghton, Earl Williams, Albert Haught and Jessie Mendoza.

Father Dies At Athens

J. B. Farmer, 91, of Crossroads, father of J. C. Farmer, died Monday at 8 a.m. in a rest home in Athens where he had lived for several years.

Services were held at 3 p.m. Tuesday in a funeral home chapel in Athens.

Mr. and Mrs. Farmer and Julia left Monday for the service.

Survivors are four sons and a daughter and a number of grandchildren and great-grandchildren.

Visitors in the home of Mrs. Jackie Fletcher were her brother and wife, Mr. and Mrs. J. B. Scott of Kress, a nephew, Paul Scott, also of Kress, two sisters, Mrs. Ozella Pearson of Tulsa and Mrs. Etta Wallace of Pampa.

Neinda Philosopher Warns That TV Is Giving Jackrabbits A Bad Name

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes out this week in defense of jackrabbits, of all things.

Dear Editor:

I have been concerned about the bad image some people in this country have been giving lately to jackrabbits.

And I don't understand why the environmentalists haven't leaped to the jackrabbit's defense, for you can be sure that when a species or a man loses his good image each is endangered, as too many people in Washington can now testify.

Here's the situation: I have noticed that some television commercials are using the jackrabbit as a bad example. A gasoline company for instance says if you take off too fast in your car when a stop-light turns green you're making a "jackrabbit start" and wasting gas. It shows a live jackrabbit in the act racing a turtle, with the rabbit running out of fuel and holed up exhausted while the turtle wins and has enough money left over to feed its family. A razor blade company says its competitor got off to a jackrabbit start in putting two blades on one side of a razor, while it took its time like any turtle would and came up with two blades on both sides, thereby winning the race. Since neither jackrabbits nor turtles drive cars or shave, this evidence probably would be thrown out of any court, if the judge gave a definitive decision, which is beside the point. What I'm saying is that these commercials are holding jackrabbits up to public contempt and it's unfair.

Jackrabbit starts, while they no doubt are bad in cars, are life-savers with rabbits. Who's former pastor ill?

Word has been received here that the Rev. A. P. Tipton, former pastor of the United Pentecostal Church, suffered a severe heart attack three weeks ago in Cisco. He has been taken from the intensive care unit and is now in a private room. His mailing address is Box 558 in Cisco.

Mrs. Virgie Schaaf and Mrs. Mae Blair of Creede, Colo., were weekend visitors in the homes of Pete Bond and the Homer Raney.

Mr. and Mrs. Noel Lee Jack Jordan of Anson are parents of a boy, Jonathan Shane, 8 lbs. 14 oz., Oct. 17 at 9:50 a.m.

to say turtles wouldn't stay out of soup longer if they could manage jackrabbit starts? Or that jackrabbits' lives wouldn't be shortened if they could make only turtle-starts?

Those commercials ought to leave jackrabbits out and refer simply to quick starts and slow starts. To do otherwise is species-ism which, like racism, has no place in the world if all living things are to dwell on this earth in harmony.

I've got to add though that I do not include rattlesnakes and brown spiders in this list. They'll put a man in the hospital.

Yours faithfully,
J. A.
